“ Mazell Johnson was one of the most honest, funny people we have ever met. You can always count on her to tell you how she feels about something, no matter what. She loved openly and honestly and her legacy is evident in her family. Our thoughts and prayers go out to her family and friends and hope all who knew her will take comfort in knowing she is in the arms of our Heavenly Father. We love you all and are sorry for the temporary separation from this beautiful soul. Gena, Greg, Kevin, Kyle, Tori and David.
