“ I remember how Patty and Jim ALWAYS made everyone feel welcomed and joy-filled in their presence when they came to see their daughter, Jamie, when she was with us in our Community. We all felt like a part of their family; to share stories, laughs, and all the good times in their lives. We shared our experiences, too, and it was just like many "old friends" getting together to share wonderful times. God Bless the Morris Family during this difficult time - know that our prayers and thoughts are with you.

“ We lost Pat way too soon. I was not ready. I suppose none of us ever are. I have lovely memories of Pat as we grew up together at Bronson School. Perhaps the one that is permanently seared into my brain was the boat incident on the Suwannee River and it was a frightening one to be sure. My last glimpse of Pat, and it plays over and over again, stamped on my retinas, is her falling backward into the water. The surprise on her face was terrifying to see. She was sitting on the side of the boat

and I was in the boat facing her. Thanks to the grace of God, and to the other boaters, we were both extracted from the waters to safety. We were tied by that incident, that memory. I shall miss you, Pat. My sympathy upon the loss of Pat is extended to Jim and all the family.
