“ Daddy, I miss you and my heart aches yet I know you are with Jesus. Now you can talk and walk again. The Lord was gracious to our family by allowing us to care for you for 17 yrs. 8 months and 9 days until Jesus called you home. Oh how you were patient with us at times when we could not read your mind. Looking back we had some funny times trying to figure out what you wanted. Daddy you were a great provider, father and husband to momma. Daddy momma's doing ok she misses you and knows she will see you again in heaven me too ... I know that I know that one day we will all be together again. I love you Alison
