“ Mrs. Alfreda was so special. I got the privilege of getting to help take care of her at Ayers during the last few years of her life. She never hesitated to tell us she loved us and that she was thankful for all we did for her. She was a dear friend. She will be missed. I am praying for the family because I can't imagine how difficult this must be for them. ❤️

Alfred's will be missed. I had the pleasure help care for her. She would always say I love in the mornings. And tell me that she missed me when I was off work. She always made us laugh. Rest in peace Alfred's. Diana(CNA at Ayers)
