“ *Aunt Lee and Miss Helen adopted me many years ago. I have so many memories. I worked with both ladies at Helen's Place. Aunt Lee many times had a perspective that was uniquely her own. There's a warm glow in my heart that is my Aunt Lee. I love you lady. I always will.*

“ I had the pleasure of getting to know Armie Lee during her time at Ayers. She truly was a remarkable person. I will forever cherish the talks we would have and her stories. My thoughts are with you during this time.

“ This woman taught me more lessons than I could count. Lessons I plan to teach my kids. She was strong, stern, and one of the sweetest and most thoughtful people you'd ever meet. She told me many of her trials and tribulations and how she pushed through and came out on top every day. It was like she always knew when I was having a rough day. She'd start with "Honey," I can hear it. It's engrained in my mind. One of the best friends I ever made at Ayers. I love you Armie Lee ❤️
