“ I have many fond memories from the time I worked for him in WH. I used to kid him about his smudged up glasses and how could he see to do anything. 😊 His response was hush up. When Mary and I went shopping I would always tell him it was a lot of fun spending his money. We had a lot of laughs and good times over the years. I considered him a good friend. May you all feel God's comfort and peace in this difficult time. Pam Baker
