“ *Granny I wasn't always around as I got older but I was when I was younger. I remember all the times we shared, and you helping daddy(James Watson), teach me what I needed to become part of the woman I am today. I love you and will miss you terribly. Well met up again,to go fishing in the sky. I'll even bring the snuff. Farewell for now granny Bonnie til we meet again. Love your granddaughter. Laura Watson.*
