Our son was tragically taken on August 12, 2023. Brian left behind a loving family who will miss him so much. He was a polite, mannered, and quiet young man who loved life and filled his days with as many adventures he could fit in. Biking, snorkeling, taking little side trips to see North Florida up close. It didn't matter the destination, but just seeing someplace new.

Brian, you will never be forgotten. The legacy you created will always be with us; in our hearts, our prayers and our thoughts forever.

I miss you son – I'll keep the porch lights on for ya forever!

“ Mike and Dani I have been praying daily for God to comfort you both in this time of loss. Brian was an inspiration and friend to more people than you knew. It's comforting to read what people are saying about him and I know you are proud of that. Let God be your shoulder now and know that Brian and Willie are riding their bikes together in heaven. Love to you all. Jeannie
