“ *And there arose such a joyful sound when the accompaniment of all those heavenly hosts welcomed David into Heaven.*

By Your Grace Father God grant eternal rest in Your presence to David the dearly departed.

Comfort him with the peace that can only come from dwelling in Your presence.

We send our deepest heartfelt sympathies and condolences to all his loved ones.

We pray David's entire family as well as all those friends finds some measure of comfort and peace in knowing they're being raised up by the prayers and supplications of so many?

GSP My friend.

“ *Sad to hear of his passing. He was a good guy and when young someone I always wanted on my team, especially if it got physical ha ha*
