“ *My Dearest Brother.  
How I will miss you.  
I'm so sorry we won't be allowed to tell you goodbye for I know how so very much you loved us, but it gives me comfort to know I will see you again someday.  
One thing for sure tho, no one can take away the precious memories and the love all of your siblings had for you and you for them. It was real n it was genuine.  
Fly high Brother. I'm glad you're finally free n safe completely in the arms of Jesus.  
We release you now as we must but this is not the end of the story for u will rise again no matter who has hold of your ashes.  
Well done thy good n faithful servant.  
I bid you goodnight for now.  
Rest well.  
See you in the morning Brother.*
