“ Hi

*We first met Debbie & JD back in 1980 when we came on holiday to USA from England to visit our Auntie Joan & Jeff Evans (Debbie's in laws)*

*She made us feel so welcome & we enjoyed going to their house, seeing Monica & Cody & Cassidy was only a baby then.*

*Debbie even let us borrow her car for 2 weeks to go & see Disney world. we really appreciated her generosity.*

*She was a remarkable woman who loved being a nurse,*

*We then met the family again in 1983. When we visited USA. & then again in 1993. by then we had 3 boys & they loved playing on the tyre swing in their garden with Monica & Cassidy & our boys also visited their school with them to watch sports day.*

*(& the teacher asked our 2 eldest boys to run in a race with the class) The boys were so excited & honoured & felt very special.*

*The last time we visited Joan & Jeff was in 2017 but sadly this was a short visit & we didn't get chance to visit Debbie & JD.*

*I know she will be sadly missed & our thoughts & prayers go out to the whole family 🙏❤️*
