“ *I have a never met such a hard working dedicated woman in all my life. Ms Garner never ran from hard work and would give you the shirt off her back if you needed it. I feel blessed and grateful that God put you in my life and I could call you a friend. Go with love, dear friend.*

“ Miss Diane was always a peach. She always received me into her home with open arms when I was younger. Every time we saw each other at walmart she had the biggest smile and hug for me. She made me feel like part of her family.
