“ *So many of my young childhood memories are filled with the Michigan cousins coming to visit our Wisconsin farm. And the twins were always the goofiest, playing the most pranks and jokesters -- but also the most loving. Equally good times shared at my Dad & Lorenas Willow Pond farm later in life also. I love these cousins so much and my heart grieves with you all. So thankful for the assurance I WILL see Donnie again some day! I wish our family could travel to the service to share stories and our love. Just know our hearts are with you. Love, Julie*

“ My name is Carolyn Scherer Palmer. I used to babysit for this guy and his twin brother when they were about 5 or 6. They were a handful and drove me out of my mind. He grew up to be a great man even though he was a totally wild little boy. Sorry to hear he has passed. Prayers are with his family. Tom I am so sorry to hear you have lost your son.
Your old neighbor,

“ When Donnie and Ronnie were little I mean real young, they would spend the night with Barb and me. They always wanted to stay up late so they would get their bath, each get one of my t-shirts. to sleep in. I told them they could sit up but not lay down They would sit awhile and they would start to fall asleep and I would tell them to go to bed and they would sit back up. They would get so sleepy they would finally fall over and I would carry them to the bed. May God be with the family at this time. I send my love and love you all so very much. So many wonderful memories. Thank God for crossing our paths. Stay close as a family, love the Lord, and be good to each other, and we will all meet again

“ *Donnie’s legacy is his love for life . He lived to laugh and have a good time.Even though we will miss him in our lives and church we can rejoice knowing he left this world surrounded by some of his family doing something he loved. My life is richer for knowing him.*Lynette Allen

“ *Loved me some Donnie Gipson, I could always count on him to make me smile or want to lay hands on him. He always asked my hubby if I was behaving. Of course, Not. Always concerned about my walk with the Lord, would ask if I needed to go to the altar and get right. He was a joker but he loved the Lord. I have great memories of my dear friend. Our prayers for the family during this time of loss in your lives and the days to come. Sorry for your loss.*

“ *So many memories to cherish. Donnie was more than a son-in-law. Donnie was a son. He loved his family with all his heart. He was so full of life. Loved to make you laugh. We had so many good times together, too many to count. We are going to miss this man so much. He is now with his Lord, who I know said "Enter in my good and faithful servant". Donnie we will see you in the Rapture. Lisa, Justin, Joshua, Jordan, and all those beautiful grandchildren we love you with all our hearts. You will continually be in our prayers. We are here for you. Love Gary and Carol Hockaday*
