Judy, Our prayers go out to you and your family on the loss of your beloved Ed. We understand your sorrow at this time. Losing your soul mate and best friend of so many years is hard. Terry and I had 54 years together, lots of good times spent with family and friends. I'll always remember our Swamp Buggy adventure to Opryland Theme Park in Nashville and of course all the Swamp Buggy racing memories here over the years. God bless you and your family through this difficult time. Your family will be such a huge part in helping you through it. Sincerely, Teresa Langford and family.
