“ Purple and blue were always Mom’s favorite colors. Mom, you always made me feel so special and loved when I was able to visit you. I hated that we lived so far apart. When you went to be with Jesus, I lost my best friend here on earth. You were my strength many times. I know you are and always will be watching over us with so much love. You will always be with me in my heart and I will always love you with every beat of it. I love you 💕 Mom and always will. ~Linda

“ *My fondest memories of Aunt Eleanor known to me as Aunt Sue when I was growing up took place in the last two years that I have lived in Florida. I always enjoyed and looked forward to my monthly visits to her and my cousin Amy We would talk about her life with my Uncle Merle and about her life while growing up in Wind Gap, PA. She was like a second mother to me. I am very proud that I got to know her.*
