“ God's Garden

*God looked around His garden
And He found an empty place.
He then looked down upon this earth,
And saw your tired face.
He put His arms around you
And lifted you to rest.
God's garden must be beautiful,
He always takes the best.
He knew that you were suffering,
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids,
And answered "Peace be thine".
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day called you home.*

*We miss your dearly but have fond memories that we can hold on to
and cherish until we meet again on that resurrection day!*

“ *I have been through many unspoken memories in previous times with my mom before she started a new second life with my dad when I was 4 years old. She made many sacrifices for me. I love you with all my heart mama. I have been told many times in the last few weeks of her life. I will carry her look with pride. Her love of family.*
