“ Dearest Grandma Evie- heaven is much more richer now that you are there! You are reunited with your beloved (Grandpa) David. And you both are holding baby Hope Ann in your arms. We will forever hold the legacy you left us in our hearts. We will always cherish each other and keep your love alive in our hearts forever. We will miss you terribly but know that this is only apart of your journey. As we all look to the Day the Good Lord brings us all back together again. We love you!! We all send the rest of the family our love from Michigan. We are with you in spirit....

Love,

Your grandson- James Jr & Emily Hargrove

Your great grandson- Jeremiah Simon-Hargrove and Your extended family -Shawn & Debbie and Joshua Hargrove
