*Thank you for allowing those of us a bit distant from hearing this very sad news to hear the tribute to Felicia. She had such a light about her, I feel blessed to have shared her life's journey for the short time that I did. I know without a single doubt that Jude, Olivia, Mary and her Dad were EVERYTHING to her. May she rest in peace so richly deserved for she did, indeed, fight the fight.*

“*Felicia, after working through the brokenness learning that Jesus called you home sooner than I could get to you - Our faith together grew stronger and I am blessed that God deepend our friendship this past year. You were such a. "Ray of Sunshine" never hesitated to share your Faith and Trust in the one who holds you now!!! What Glory you are in now with King Jesus. God allowed our paths to cross, and our Faith to grow stronger during our Sisterhood conference. I will miss those calls and visits to have "our Jesus time" in prayer , My Diva Angel is now with King Jesus. I told you time and time again 'GODS GOT YOU", cast all those cares on Him because He cares for you, Though I feel you were taken too soon, We trust it was Gods calling, you were to beautiful to stay here as He needed you with Him -*

*Romas 8:18 come to mind here. Yet what we suffer now is nothing compared to the Glory He will reveal to us later. Jesus Thank you for my sister, for our friendship, for her Life- for her sweet spirit and although my friend faced trials of many kinds, and her faith was tested, but her faith produced perseverance and though she is not here with us in person, you can rest in knowing that her spirit is with us.*

*Save a place for me sister.*

“ *Fe was one of the sweetest, kindest, most caring people I've ever known. I had the pleasure of meeting her as a coworker at UCI, and a friendship blossomed. She loved her family and children fiercely. I was praying so hard for her but I guess God needed her more. Fe, we love you and will be forever missed but never forgotten*
