“ Gary was a class act and always a pleasure to work with. I can picture him now with his sharp flattop hair cut and a toothpick in his mouth. He loved to make people laugh and did it often. He could go from cutting up and joking around to serious in a split second. When he meant business it was obvious and he got it from all in his presence. I am honored to have known and worked with Gary for many years. I always enjoyed catching up when I bumped into to him around High Springs. You will be missed my friend. Rest in peace.

“ Gary and I worked at UCI together until I retired. Gary was an exceptional Correctional Officer and worked mainly on the Outside Lieutenant's Squad. He wasn't your typical Correctional Officer that partied hardy nor was he a skirt chaser. Gary was a very dedicated family man, and a fair but firm Officer. I remember one time he was working with the squad at the Training Building and he was hauling and moving dirt in a dump truck and low and behold he was dumping the dirt at an impossible angle and the thing turned over, in slow motion. Took a while for the ribbing to stop. Gary will be missed by many but not as much as his family will miss him. May God comfort and ease your pain through this difficult time and remember we will see him again, no doubt!
