“ *Love, thoughts and prayers to Ray, Amy and family. Glenda was the epitome of the Proverbs 31 woman. She loved family and friends lavishly. She thought of others more than herself. She was a precious friend to James and I and she will live forever in our hearts. Heaven is a much better place now and we look forward to seeing her again someday.*

“ *My condolences to Ray, and Amy and family. Glenda was both family and friend to me. She was the picture of grace and courage in her long battle against cancer, with her equally gracious and courageous daughter, Amy, by her side for it all. I have such love and admiration for them both. Judy Petty Sanchez*
