“ *Dear Sharon and family,
On behalf of the whole UF College of Dentistry, I am sending our collective thoughts and prayers. Gregg was a kind, generous and wonderful man and many of us here remember his easy going nature and willingness to help with any task. I fondly remember seeing the two of you in the dean's office break room, sharing a cup of coffee or a meal together. May those, and many other happy memories help you deal with the sadness of losing such a wonderful spouse.
