“ *To the Angermeier Family:*

*Please accept my deepest sympathies on the lost of your love one Hal Angermeier. I had the pleasure of meeting Hal when he served on the Juvenile Welfare Board's Youth Services System Advisory Council (YSSAC), which I staffed. Hal served as a Chairman of one the Council's six committees. He took a bit getting use to but once I did I found a very caring, sweet man under that gruff exterior.*

*Thank you for your kind words. My dad was one of the best. Always funny, joking and we loved being around him. Treated my mom like a queen too. We sure do miss him. And yes, he was a very caring man.*

“ *Mr. Angermeier was my boss for many years at Social Services. He treated all with respect. He had a pleasant and uplifting way about him so that when he came by you were always left with a smile. He helped so many people with his work. He will rest peacefully. Condolences to all his family.*

*Thank You Norene. My dad saved all the notes and cards from his retirement party. Looks like you all had a great time together. When we were younger he would sometimes take us to his office on weekends to get a little work done. We loved playing with the intercom. He also took us to the old courthouse one time and we played "trial". My sister ended up being an Asst. State Atty in Pensacola so some of it stuck! Thank uyo for your kind words. It's been over a year and we still all miss him. He had a nice retirement in the log cabin he always wanted. 1992-2018. Not bad! He never had major health issues, and mind was sharp right up to the end. Thanks again for taking the time to leave this nice note. -Tom Angermeier (kid #3)*
