“ Herbie Jr surveyed our property when we bought our place 2010 Steinhatchee Fl. Herbie Sr. Surveyed same property years prior. The monuments placed in the ground will always serve as wonderful memories for us, of these two fine men. We have never met such a genuine trustworthy person in our life as Herbie Raker. We love this fine man and will always have a warm place in our heart for him and his family. We also had the pleasure of meeting Herbie's son Dillon and Herbie's sister Judy Hatcher, who always treated us with kindness and utmost respect as Herbie did. For the family we have met and those we haven't. Please know we share your loss and sadness. We pray each of you will find comfort to ease your pain knowing that we care, as so many others do.

We just learned today 8/18 of Herbie's passing, needless to say extremely shocked.

Please know we are so sorry for your loss. Herbie will be greatly missed here on earth but will remain in our hearts forever. We lost a great friend.

May God be with each of you during this sad time and always.

Love and Hugs..

“ *Herbie was a very special man.....I don't know many you could describe as righteous...not self righteous but righteous as in doing what is right according to Gods word. Herbie is one you could use that word to describe. Humble was another. He always had kind and encouraging words for everyone. Our community has lost a rare man...a void has been left in many lives. What a comfort to know that he is with the Jesus he loved and served so we'll. My love and prayers to his wife children sisters neices and nephews. I love you all. Beth Sheppard Lambert*
