“ I am very sad to hear this news. Jean was a wonderful friend; she worked very hard at the German Am. Club; was a great cook and put out delicious meals on Wednesday eve. We were sad when they moved from Miami. May God comfort you in your sorrow.

“ Imogene was the best Grandmother and my Daughter really loved her. Jessica came to visit and when she found out her grandma was in her last hours of life you could not keep her away. She went with her Dad to say her good buys. Here is a memory. when Jessica was about 3 or 4 years old she buried all of her barbies in Imogene's back flower bed. I found out later when Granny told me she found all of her barbies..Imogene kept Jessica in school clothes most of her teenage years.God only made one mold of Imogene after that the mold was broken. Rest in Peace Grandma we will all miss you.
