

## Jackie West

June 10, 1956 - October 2, 2024

Jackie was born in Jacksonville, Florida on June 10, 1956 to Donald and Emily Sapp. She passed October 2, 2024 in Gainesville, Florida. She was preceded in death by her beloved Mother, Father, and her husband Fred West.

She is survived by her daughters Kristen Langford and Sarah Sapp, grandchildren Jayden, Jace, Alexandra, Caelynn, Ryan, Aaron, and Justin (Eli), a brother Donnie, sisters Myra, Cindy, and Sharon (Marc), and many nieces, nephews, cousins and friends. All of who she loved dearly, as we loved her.

Jackie lived a wonderful life, though at times it was hard, she made the best of it all. She worked hard her whole life. Working as a waitress, bartender, and a multitude of positions at many different companies. She worked at Mr. Paper, Bombardier, Phoenix Motorcycle, and started her own business Underwater Service Associates with her soulmate Fred in 2005. They ran the business for 10 years before Fred passed in 2015 and Jackie retired. She worked hard but played even harder. She was the life of the party! She loved a good time but what she loved even more was the people she spent those times with. She deeply loved her family and friends. If someone needed something she was the first one to try and help. She will live on in the hearts she touched. She will be dearly missed until we are all reunited again. Until then she will fly with the

dragonflies watching over us all.

A celebration of life will be held Saturday, November 16th at 2pm at her home in High Springs, FL.

The arrangements have been placed under the care of Rick Gooding Funeral Home Chiefland Chapel, with locations in Cross City 352-498-5400 and Chiefland 352-493-0050. Please sign the online guest book at [rickgoodingfuneralhomes.com](http://rickgoodingfuneralhomes.com)

“ *My sweet Jackie, what an incredible person you were. Thank you for being you.*

*If you fortunate enough to be loved by Jackie you were truly blessed. She was without a doubt the best friend and sister anyone could have ever wished for. Was known to many as my cousin, however to she and I we were sisters. She helped me through some very hard times and did it as if it were no big deal. Little did she know she was my saving grace many times over. I Will forever love and miss her..*

*My sweet sister, may I ask you for one last favor? Now that you are in heaven with many members of our family, will you please give Dean and mom big hugs and kisses for me. Also please please give Aunt Emily (mom) and uncle Don ( dad the only dad I knew) my love and gratitude.*

*Until we meet again Jackie I will forever be grateful and your memory will always remain in my heart.*
