James Ellis Keen , 62, of Bronson, Florida, passed away peacefully on October 1, 2024 after an extended illness. Born on January 22, 1962 in Ocala, Florida to N J Keen and Lou Eva Osteen Keen. James was a beloved brother, uncle, and brother in Christ.

A graduate of Bronson High School, James went on to attend Lake City Community College where he earned a certificate in small engine repair. James later worked for Beauchamp Hardware in Chiefland and Bronson First Baptist Church, where he served as a custodian until he became disabled due to a brain tumor.

James was an active member of Bronson First Baptist Church and was very devoted to service and commitment to the Lord. James read his bible every morning and night up until the time he could no longer see due to a stroke. James was well known for his unwavering politeness and willingness to help others. He enjoyed hunting and fishing with his father and cousin Corky Springs. He was an avid basketball fan of the Bronson Eagles.

James is preceded in death by his parents NJ and Lou Eva Keen, and grandmother, Alma J Osteen.

Though James is no longer with us, we take comfort in knowing he is pain free and united with his Heavenly Father. He will be missed by many whom he made a lasting impression for his humor and serving as an example for loving the Lord.

The family expresses the utmost gratitude to the special angels at Altrusia House in Gainesville, Ayers Health and Rehab in Trenton, and Haven Hospice who helped provide compassionate and loving care during James' journey with cancer, strokes and dementia.

“ Words can never express the impact that James had on my life growing up. Though he many health challenges even back then, he was always so uplifting with a word of encouragement. He was always positive and never said an unkind word to anyone. Still he was quick to tell us when we did anything that wasn't pleasing to God. He was a praying man. Even when we were growing up he told me many times that he had prayed for me. I didn't see him much in our adult years, but anytime that I did see him, he was always his sweet loving self. Still encouraging and positive.
