“ *It is with deep sorrow that learned of the loss of my friend Jack. We shared the education process from the first grade through our graduation from Santa Fe High School. Jack was an excellent athlete as well as a supportive team player. He was the kind of person that you wanted to be around and support. He always had a keen wit and enjoyed the fellowship of his teammates and fellow students alike. All these qualities enabled him to be successful in his chosen career. He was a family man who to this day will always beloved and respected. I will never forget him.*

“ Dear Family, I have such mixed emotions, so sad for you to have lost such a wonderful husband and father, for your husband and father he is having a great time visiting with the Savior of his soul. I have known two different Jack's in my life, before Christ and after Christ and WOW what a difference the Lord Jesus Christ made in his life. His testimony was one in which people could see such a change, such a difference in the Old Man and the New Man and that is what Christ is all about. He and I joked about the fact that we are distant cousins and never knew until a few years ago. He loved all of you with an undying love and you all are so fortunate in that: both he as the giver of that love and you all as the receivers. Will pray for your family. John and Kathy Griner

“ Jack was a funny, personable, caring and passionate man that loved his family dearly. I first knew Jack in school. My brother Larry Jones and Jack graduated in the same class at Santa Fe High School. It didn't take me long to realize that Cherry had caught his eye. She was a beautiful dark haired girl with lovely large brown eyes. He had found "the one". Their marriage and their three precious children meant everything to him. Jack gave his life to Jesus as an adult. He would weep over past mistakes and short comings. It has been a great joy to see him get radically saved! He went to be with the Lord with a clean slate! Praise the Lord that he was welcomed into heaven with singing and much celebration! Jack, you finished strong!
