“ *I loved to ride in Jerry's old car. It had no shocks on the rear so every bump was like getting launched. He was kind and talented. To everyone. He will be missed*

“ I will not forget Jerry.I stayed up half the night at his house. His brother Larry and I were close friends. The next morning January 3,1968 Jerry and I were at Jacksonville being sworn into the military,from there to Ft Banning,Georgia. I talked with him a few times at the px on base.He stopped by my home in cross city to see me after his hitch in Vietnam. He was a good person and will be missed. We were not in the same company at Ft Banning. Love and prayers. Bobby Liles

I have know Jerry Karr most of my life, as a teenager my mama warned me and sisters that even though the Karr boys were good looking we needed to stay away from those " bad boys" he and I have laughed about that many times over the years, Jerry and Connie raised 2 wonderful daughter one of which I get to call my granddaughter, prayers are with you both and remember it's all in God"s time. No more sickness nor pain ever for Jerry
