“ I came to Steinhatchee for work and I met this amazing girl named Vanessa Wood. She introduced me to “auntie Joanie” and she was the most kind hearted, loving and beautiful soul I have ever met. She made everyone laugh and smile and was the greatest joy to be around. When I heard the news I was in shock for the short time we spent together I wouldn't take it back she was an amazing person. My hearts go out to everyone in her family and may she Rest In Peace.

“ You will be miss aunt Joanie. I know when I got the call I was devastated. I know up above looking down and seeing everyone. I know your not suffering no more and or in pain. I love you forever.
