“ Sorry I missed you, did you still like the old '57 Chevys? You had the convertible, I had the hardtop. Of course that seems like a 100 yrs. ago now. Love ya, E.F. "Buddy" Emory.

“ My most sincere condolences to Nebel family. John and I were pals as teenagers. We had lots of fun times playing pool at his dad's and mom's tavern and during our "hitch" in the Civil Air Patrol. John was very quick witted and made me and others laugh to tears many a times.

Sorry I didn't get to see him before he passed. I've a news paper clipping with photo of him, me and other CAP members. I'd be happy to share that clipping with any of his family.

John was one of the good guys on this Earth. I was very fortunate to have shared my teenage years with him.

From the heart,

“ How about his old '57 chevy convertible days? Something about enjoying trying to get the cars to go fast as they could on Ritchie Hwy.
