“ Judy was a sweet lady and definitely devoted to her family. She always had a smile and a kind word—I enjoyed it whenever she was around. I know she will be missed by all. I’ll always remember the time she sat with Thomas and my girls in the kitchen making the Santa bread during our annual day of baking. It was such a fun time. She also made serving dishes with candlesticks and plates from the dollar store as a gift. I was so impressed as I’m definitely not crafty. I will always think of her when I use them. My thoughts, prayers and love go out to her family.

“ We are so very sorry to hear of the passing of Judy. We haven’t seen her in years but I remember walking out in the green houses with her during her growing season and enjoying a cup of coffee with her and Bob. Prayers and hugs to all of you.
