“ I distinctly remember Kenner from our elementary school days through 8th grade at Bell Ridge Elementary school in Kingsport TN. I had always wondered what happened to him and have thought often of him over all these past 60 years. Kenner was such a nice young boy and so easy going and mannerly all through our 8 years of school together. I was 2 days older than him....born December 13, 1946.....and remembered that during our times together. I did not know of his cousins Emma Lou, Carolyn, and Delilah until reading his obituary today. I have run in to Emma Lou and Luther, and L. C. and Deliah many times over the years, but had no idea they were related to Kenner. I always considered him a really good friend and classmate and am sorry I didn't get to connect with him in our adult lives.

I send my heartfelt condolences to all of you his family, and will always have good memories of him. May Jesus bless and comfort each of you.

Sincerely,

*Larry V. Byington

My condolences to the family. Ken was probably the best boss anyone could ask for. A lot of us splicers had the pleasure of working for him and we all had a lot of respect for him. He was one of the good guys.
