“ Pam, Christina, and Kelly,
I remember your dad/grampa so fondly as
being such a kind and gentle man. The way
he would sit outside and chat and watch you
girls run and play with a beaming smile on his
face, so proud of his granddaughters. Pam, I am so glad you got a
chance to live closer to him all these recent years, that must have
meant so much to him. At last he and your Mom are together again.
God Bless ya'll and may He wrap you in the comfort of His loving
arms.
