“ *Kevin you will never know what you meant to me!! I was proud to be your mother and Bobby was proud to be your step-father. " You hold my heart in your hands and you dont even realize it." You were the perfect baby, slept threw the night the first night I brought you home from the hospital. You were a good kid polite, respectful and happy. As an adult I couldn't be more proud of the fine young man you turned into. You were brave, smart, kind and could play that gutair and sing like nobody's business. You could cook, you were independent and I loved you very very much!! My life ended the day your heart stopped.*
