“ *When God created Kim, He was showing off. My husband and I both worked with her at Nationwide years ago. She was the sweetest and happiest person you could ever meet. She through us a beautiful wedding shower at work. She made the most amazing chocolate wedding cake for us. Her memory will always live in our hearts. She is a true testament of a Christian woman. She always talked about the cruises she was so excited to take Garrett on when she had time off. Kim, Joe and I know when we reach those pearly gates, you will be with our friends and family to greet us in heaven. Xoxo*

“ Garrett,
I know you were the light of your Mom. I unfortunately never had the pleasure of meeting her even though I wanted to. I know the two of you were the best of friends and she did everything to support you in life and I know she is proud of what you have accomplished and will continue to do in life. My condolences to the rest of the family. Thanks for calling me the other day and know that I am just a call away. I realize you have many who support you especially that girl in your life who sounds special.

“ *We went to High school together, and we also worked at Nationwide together. I will remember her as always having a smile on her face. She cared deeply for animals and people. She was definitely a proud mother who did a great job raising her son. I'm so sorry for your loss, and I'm praying for your family. Michelle Llomas*
