“ *In Memory of a Special Brother
By an Unknown Author
Today is full of memories
of a brother laid to rest
and every single one of them
is filled with happiness.
For you were someone special
always such a joy to know
and there was so much pain
when it was time to let you go
That's why this special message
is sent to heaven above
for the angels to take care of you
and give you all my love*
