“ *I am going to miss our conversations Larry was a man that always let you know where he stood. To me he was a man amongst men he had a stern voice it was a little hard to draw a laugh out of him but one day I did although it cost me a knot on my head. He has these tall hickory nut trees in his yard in the woods when we were visiting when one popped me on the head with a loud knock and my knees buckled under me and I got up saying Damn where's my hard hat I never seen him laugh so hard he was looking right at me when it hit me. We didn't see each other that often but when we did it was for hours. I'm going to miss him. Noah R Bull*

“ *Thank you for all of you that attended Larry Eugene Jones (Bo) funeral on Saturday, August 5, 2017. It was a wonderful tribute to my dear brother. Thank you for the flowers, cards, food and most of all your prayers. I learned so much more about him yesterday. The Fire Department did an excellent job along with other speakers. The video of his life was so precious. Thank you for making Larry's Life Celebration a day of remembrance!*

“ We are so sorry to hear of Larry's passing. Steve and I were so grateful of the friendship that forged that day in the hospital back in 2009. Larry was the best roommate Steve could have had, and they helped each other get through those trying days! He will always be in our memories. We will keep his family in our prayers for strength these coming days. We will not be able to attend the funeral but know you all will be in our thoughts.
