“ Layne and I worked together in Key West. He was a friend. I miss him. I called him yesterday and his phone was answered by someone who said she gets a lot of phone calls for someone called Arlon or Layne. So I did a search. Love you much Layne! Can you believe I live 10 minutes from Ocala now? LOL far cry from my palace in the sky eh ? I can't say your name to myself without smiling! You always added to my face value!

“ *Fond memories of Arlin Layne learning to play the piano. He was a rascal. Wanted to play by ear instead of reading the notes. A delightful person gone way too soon. ❤️❤️❤️*
