My prayers are with y'all. My heart is so broken. Lily was one of the sweetest babies that I have ever taught. 16 years ago I sat in the same place saying goodbye to my 5 year old son. It is something no parent should ever have to face.

“ *I never got to meet Lily in person but feel I knew her from the many posts her family shared. Lily was such a sweet loving person who had a sunshine smile that touched many many people, myself included. She could make you laugh in a minute and her memory will continue to bring smiles to all who knew and loved her. I pray that God brings peace and comfort to you all.*

“ *She always knew just what to say. You could have been having the worst day of your life and she could manage to maneuver a smile onto your face. Truly one of the kindest purest souls I've ever had the chance to be established with. Love you lily bug 🥰💕*
