“ Denise you will be missed so much. You were always A true friend, good hearted and loved to laugh! My favorite memory of you is the day in the lobby when I wanted to play you a funny song my son sent me and it was the video of the little duck singing “I’m about to whoop somebody’s other word for butt 🦄” and when I finally got it to play it was full blast on speaker and neither of us could turn it off, and we were laughing so hard and some of the patients were coming to the lobby to see what it was, we laughed about it for years and years, then you found it again just a couple years ago and sent it to me on fb. You always said it was the song that reminded you of me, but it reminds me of you, love you bunches Denise! Rest now in peace! Praying for your family my friend!
