“ *Right at two weeks later and it still doesn't seem real. You were always smiling and laughing, but God help anyone that made you mad lol. I have a lifetime of memories with you and will never forget them. We experienced so much together on our travels and I will always think back and smile. You may be gone, but you will never be forgotten. I won't say goodbye, but I'll see you again. Love you*

“ Linda wasn't very tall, nor am I. Many yrs. ago when I met her she was so excited to meet someone shorter then herself. She loved to rest her arm on my shoulder. She was a talented seamstress, and made some beautiful curtains and bedspreads. She may not have been very big but, she had a heart and soul of a giant. We will miss you our dear friend Linda. We will meet again and be "Dancing in the Sky" together. RIP
