“ Larry and Linda welcomed me and my husband ,Doug into their family when we moved there in 1993. True Southern Hospitality. We spend many holidays eating yummy food, walking the dogs before eating dessert, singing Christmas carols and country songs with them. They were true friends and my heart goes out to her whole family at her loss. Bless her now in the heavenly choir! We'll miss you!

“ Linda was my very best friend for 50 years even if we didn't see each other for years, when we were together it was like we had never been apart. When we lived close we were always doing something crazy like moving a huge picnic table with attached benches into a small bedroom. I surely miss my friend.

“ Linda was a friend of mine. Not just any friend, but a special, close, and dear friend. She was so full of life and extremely talented in so many ways. Working along side her made the day more enjoyable. She never met a stranger, and she lit up any room with her vibrant spirit. She had a way of making people laugh, which was quite often. Linda was a good listener and a great encourager. I am so thankful for all the wonderful memories we made together... memories captured by photos, videos, phone calls, texts, visits, and trips. My girls loved her dearly, and she treated them as her own. She was such an inspiration, and we will never forget all the fun times we had with her. Her memory and my love for her will live on. I love you Linda C. Taylor.
Prayers for Larry, Lei Ann, Karen, and family.
