

## Lisa Buck

March 24, 1968 - July 28, 2025

Lisa Ann Buck (Rooney), 57, of Old Town, Florida, passed away on July 28, 2025. Born on March 24, 1968, in New Jersey, Lisa lived a life marked by resilience, strength, and unwavering love.

Though small in stature, Lisa was a force to be reckoned with. She faced each challenge life presented with courage and determination that inspired all who knew her. Her will was unbreakable, her voice unmistakable, and her heart immeasurably kind. Even as she battled cancer—a fight she neither asked for nor deserved—she remained steadfast in spirit and generous in love.

Lisa's journey was not defined by the illness that ultimately claimed her body but by the legacy she leaves behind: that of a devoted wife, a loving mother and grandmother, caring sister, a cherished friend, and above all, a warrior whose strength never wavered. Her soul may have grown weary from the fight, but her heart of gold never dimmed.

Her memory will live on in the hearts of those who loved her deeply. The impact of her life—her laughter, her compassion, her fierce loyalty—will continue to echo through the lives she touched.

In accordance with her wishes, Lisa will be cremated. A Celebration of Life will be held at a later date to honor the remarkable woman she was.

In lieu of flowers, donations may be made to the Haven Hospice Tri-County Care Center in Chiefland, Florida (352-493-9898), whose care provided comfort during Lisa's final days.

Cancer may have taken her physical presence from this world, but it can never take the love she gave so freely or the memories that will forever remain etched in the hearts of those who knew her.

Arrangements have been placed under the care of Rick Gooding Funeral Home Cross City Chapel, with locations in Cross City 352-498-5400 and Chiefland 352-493-0050. Please sign the online guest book at [rickgoodingfuneralhomes.com](http://rickgoodingfuneralhomes.com)

“ Hey Shauna, I was so sorry to see this when I came on this site to leave a message for my former co-worker, Dottie Phillips. Dottie was likely just across the hall when I first met you and your mom in Chiefland. You two were like sisters and even though she already had her diagnosis, and even though the situation we were discussing was of a nature that some folks would show frustration, she was happy and silly in a wonderful way. Same held true every time I ever met her. She had that manner of someone who knows the difference between a real problem and a bump in the road, and is resolved to approach them both with a big smile. I don't know her spirituality, and don't want to offend anyone, but she walked as if the chorus "Jesus loves me, this I know" was always playing in her head. I believe it to have been so.

Sincerely,  
Doug McKoy

“ Lisa was one of the most special people I’ve ever known. She brought a smile and laughter to everyone she met. She worked closely with me helping students in my classroom daily and she loved them all. She had so much love in her heart for the children. I loved her very much and will miss her greatly.
