“ She was a Southern Bell, a true Lady last of her kind. She will be missed by so many. She was the kindest most giving person I was blessed to meet. She loved her family more than words can be expressed. She always put others first. I hope the family can find comfort knowing she no longer suffers. She will live on in the hearts of those who lined her well. I loved her and I am glad I was able to tell her this many times. We did share many days talking about everything to nothing at all. Thanking God for the joy of knowing her.

“ I send this message as a representative of Lola's High Springs Elementary School Classmates and the 1965 Graduating Class of Santa Fe High School.

Lola made a meaningful difference in our community and served us so well. Her "gathering place" brought many of us together again when we probably would not have seen each other again otherwise. We extend our condolences and we ask God to place Peace in your hearts and also Expectancy to see her again. God Bless All Who loved Lola and especially her Family.

“ *I've known Lola and siblings since we all rode Mrs. Elizabeth White's school bus. We all lost touch when we got out of school and I was so pleased to have the chance to see and talk with her at the restaurant numerous times in recent years. My uncle Firpo frequented Alice's and everyone there, but especially Lola, were so good to him and treated him like he was special..Lola was a hard worker and a very pleasant person, even when she wasn't feeling up to par. My thoughts and prayers are with Mrs. Alice and the family.*
