“ My name is Cecil Gary Parrott and I remember my Aunt Alice Lundy. I was raised much of my child hood and teenage years by my Grand Parents Rev. Emmitt Dean and Nora Butler. I remember when Uncle John R asked my Grandfather for her hand in marriage and he gave his blessings. I remember when Aunt Alice gave birth to Bobby (Robert Dean Lundy Sr). Everyone was so happy. I was only 9yrs. old. About the time I joined the Marine Corp Aunt Alice gave birth Mark. I was beginning to think babies were cute. I remember my younger brother and I went over to help Aunt Alice rake leaves. Until the day I left for the Paris Island she was a part of my life. I started a family of my own in Virginia and lost touch. But I will always remember and love Aunt Alice.

“ Alice was a good friend. We shared many tears and stories in the loss of our husbands who were best friends. Alice loved the Lord and loved her family fiercely. She will be missed greatly.
