“ Farnell Jason and all family members I am so sorry for your loss. Jeanette was a blessing to everyone that shared any part of their life with her. My daughter my wife and myself included. My grandfather Ernest Hall was her uncle she has always been a part of my life since birth. I live in Mountain Home Arkansas and health will keep me from attending but I will be there in spirit. RIP Jeanette tell everyone we will have a family reunion around the throne soon

“ Our neighborhood will never be the same. I grew up in her neighborhood from the age of 7. She was a happy, smiling, friendly face. When I passed by every day, she was always working in yard or sweeping. I can remember her even sweeping her street. She always stopped and gave a big smile, a big wave, and had kind things to say. She will forever be one of my favorite people. A genuine southern lady. May her family find comfort in the kind and caring way she led her life.

“ Mrs Cole was such a gentle sweet lady. She was a wonderful neighbor and a great friend. I remember as a child walking home from school she would always stop and talk asking how my parents were doing. It seemed like she was always working in her yard. She will certainly be missed by many and especially in her neighborhood. Our prayers are with all the family. Love to all Cathy Clemons Jerkins and Bud Jerkins and Family.

PS

We loved Mrs. Cole and will really miss her smiling face and charming stories of the past that she shared with us for years as she walked by our house with her dog. Our daughter used to visit her on her way home from school almost every day (something we didn't find out about until recently and she is now 43 years old!). What a wonderful friend she was. The neighborhood won't be the same without her. Bless her heart 💕
