“ I've known Ms Marion since I was a kid, Melissa, Margaret and Edie would come over and ride horses with me, I met Ms Marion one day when I went to their house she was in the kitchen cooking and wanted me to stay and eat, I went to their house many times but I didn't see her much because she was always working to provide for her girls, then later in life we worked together for many years at Cross City Correctional, she was one of the hardest working nurses I've ever worked with. Her and my mama enjoyed working with each other and became best friends and also a support system for each other, when one was feeling down and not wanting to get out, the other one would get them up and going. I loved Ms Marion, my kids and grandchildren and my Mama misses her dearly.
