“ Aunt Marie has always held a very special place in my heart even as a child. I can't begin to tell you how blessed Bud and I have been these past several years with her visits in our home. We enjoyed every day that she got to spend with us we've shared so many memories learned so many things from her as her mind and memory has always been sharp as so knowledgeable about family history. We were blessed to be able to visit this past Saturday in her home our last visit. We know she's in God's hands, and what a joy she had seeing Jesus face-to-face. Can you imagine the reunion she's having today with her husband, uncle Jim, her mom and all of her siblings. We're truly going to miss all of the visits that we could have, but it doesn't compare to the reunion. She's having with Jesus and her family. We know there's going to be a great void in her home by her, not being there and the knowledge that she could teach those precious grandchildren. We love you all and are going to miss her greatly.

We always loved seeing Aunt Marie when we visited grandma. She had a great laugh! She so loved her family. She will be sadly missed here but our heavenly family will be rejoicing. Greta Christensen Young and family.
