“ I will never forget Sugar's big heart, and the way she always put others first. I remember a time we were visiting Granny and Aunt Myrtle. Sugar and a friend was building a porch for , I believe Granny. She just picked up that hammer and when to work, like she did that sort of thing every day! . She always took such good care of both Granny and Aunt Myrtle. And she always had a pretty smile for everyone.  
You will be missed by many,
