“ *Mary Catherine I will always cherish our memories. Last summer was great we had such fun at the two church picnics and all your old stories. I'll especially remember your stories about hunting and camping. Your loving cousin from KY, Suzanne*

“ My deep sympathy to the family of Miss Miller. She was a very special lady to me. From my youth in Scouting, to Beta club, to Typing classes, she was always there as a leader for the young people in our community. While I don't think she very forgot her Kentucky roots, I know she dearly loved Dixie County. As I grew older, I would still see her at different events, and share occasional phone calls or greeting cards. I'm sure she will be greatly missed. We thank you for sharing her with us.
